LSPPOA Membership Benefits

Your \$25 annual membership fee, plus hundreds of volunteer hours, assists in the achievement of the Association's goals by providing the following:

1. Advocacy for issues currently or potentially affecting our local area, such as lake stewardship (water quality, shoreline preservation, septic systems, aquatic invasive species), land use planning, dump site operations, fire hazards, etc.
2. Communication to keep you informed through:
 - development and maintenance of an Association web site (www.lakestpeterassoc.com)
 - e-mail broadcasts and/or web site content providing information such as emergency contacts (fire, police, ambulance, etc.), current dump site rules and operating hours: spring flooding and related temporary road closures, if any; open fire rules and restrictions; notice of public meetings and events of interest in Hastings Highlands and beyond, etc.
 - monthly Elerts (e-news) from the Federation of Ontario Cottagers (FOCA) regarding issues of major concern to members
 - attendance at the Association's annual general meeting
 - active participation in the Hastings Highlands Interlake Association
3. The opportunity to voice your personal concerns and/or submit suggestions for improvements
4. Independently and through co-ordination with the HH Interlake Association and other Hastings Highlands community organizations, assurance of a collective, strong voice in support of our mutual interests and concerns at local municipal council
5. Discounts and access to other offers available through membership in FOCA (e.g. Subscriptions to Cottage Life magazine).
6. Funds to pay the general operating expenses (membership in F.O.C.A., liability insurance, office supplies, communication costs, etc.) and any specific program costs incurred by the association and/or its volunteers in pursuit of the goals of the association.
